Re: Roscoe April 29th COVID-19 Update

Dear Customer,

I hope this letter finds you, your family, and your colleagues in good health. Roscoe serves customers in Illinois, Indiana and Wisconsin with each state setting different guidelines for operating. If your **business has been closed and is allowed to re-open, or will remain closed, please contact your Customer Service Representative** using the information at the top of our invoice.

Available for purchase, Roscoe can **supply your team with comfortable cloth re-usable face-coverings** in two styles:

- BioSmart™ 65/35 Poly/Cotton with elastic ear loops & chlorine bleach-activated antimicrobial technology
- Two-Ply Knit Cotton with long cloth ties & an open bottom to allow for a filter to be inserted

These are the same face coverings our team members are wearing. Please contact **Roscoe's Corporate Apparel Specialist, Justin Cartagena** at JustinC@eRoscoe.com or **773-533-2781**. If you are interested in hygienically clean laundry service for face coverings purchased from Roscoe, please let us know in advance so we are able to apply a barcode.

Roscoe offers a variety of facility service products for immediate installation that can help your company adhere to the latest CDC guidelines. We offer alcohol-based hand sanitizer, touchless paper towels, and 3 different soaps:

- Foam Soap
- Industrial Grit Soap
- Pink Lotion Soap

Contact your Customer Service Representative to arrange for installation of soap or paper dispensers at your facility.

Please provide your Customer Service Representative with your cell phone number in case an urgent situation arises. We are providing regular status updates via email and including them on the COVID-19 page of our website eRoscoe.com/COVID-19. To receive the emails, please provide your email address to your Customer Service Representative.

If you have additional questions, please contact your **Customer Service Representative** or me at any time and we will provide you with the latest information available. Thanks again in your trust and confidence as we take pride in serving your needs!

Respectfully,

James W. Buik
