Re: Roscoe May 29th Update Featuring Safety & Hygiene Products

Dear Customer,

I hope this letter finds you, your family, and your colleagues in good health. I would like to recognize once again the amazing spirit of cooperation among our team members, suppliers and customers. All have worked diligently and contributed so that we can continue to deliver hygienically clean merchandise using extraordinary precautions.

As Illinois and Indiana prepare to enter the 3rd phase of reopening, if your **business has been closed and is allowed to reopen, or will remain closed, please contact your Customer Service Representative** using the information at the top of our invoice.

We have worked closely with our suppliers to ensure we are able to provide products which your business may need for reopening, and continued compliance with state and municipal guidelines. Consider the additional products and services we offer for a safe, comfortable work environment:

- Floor Mats, including mats with Social Distancing or Hygiene messages
- Soaps and Hand Sanitizer
- Restroom Supplies
- Cleaning Supplies
- Face Coverings and Face Shields
- Protective garments including aprons, knit cuff butcher coats, and uniforms

See the attached flyer for more product details or contact your Customer Service Representative – most of these products are available for immediate installation.

Roscoe will remain vigilant against COVID-19, and continue to monitor the effectiveness of our policies and procedures, making adjustments when necessary to improve outcomes. I am asking you to notify us immediately if any of your employees are exposed to COVID-19, suspect they have been exposed to COVID-19, or become infected with COVID-19, so we can implement additional precautions when serving your account.

If you have additional questions, please contact your **Customer Service Representative** or me at any time and we will provide you with the latest information available. Thanks again in your trust and confidence as we take pride in serving your needs!

Respectfully,

James W. Buik
